A ministry of Rotimi & Bose Ladeinde

March 2024

## PRAYER REQUESTS

Your prayers are very important for a ministry like ours, so we implore you to include us in your prayer list. We do not want to inundate you with a long list of prayer requests, but here are our top prayer requests as of today.

**Request: Pray that more people will come to Christ through our free medical outreach.**

It should never be taken for granted that people who are faced with poverty, sickness, and all kinds of hardship that life can throw at you – will always be open and receptive to Gospel message when presented to them. Truth is, some of these needs of life – when presented prayerfully and with guidance from the Holy Spirit – could perform wonders and help recipients of these gifts to open up their hearts to Jesus, the real answer to ALL their needs.

Ife Global Outreach continue to encourage pastors and missionaries that we support in Africa to make the Gospel message the core in their outreach programs. Last month (February), there was a medical outreach program at Ishan Orile Oko village in Ishara Remo, Ogun State, Nigeria. Over 50 people received treatment.

In addition to free medical consultation and treatment, each patient was sent home with some food packages. One of the things that our medical volunteer team observed was that some who showed up were primarily concerned about how much assistance they can get for their sickness, while others were attracted by the free food that was distributed after consultations. We don't set a condition that they listen to the Gospel message before receiving treatment or food – those are all provided for free. We do let them know that these free gifts – and many more – are provided because Jesus loves them and wants to be LORD in their lives.

In John Chapter 6, Jesus performed a miracle using 5 barley loaves and 2 small fishes to feed over 5,000 people by the sea of Galilee. The following day, the crowd followed Jesus to Capernaum and said, “we have been looking for you”. Jesus replied “you look for me not because of the miracles, but because you ate your fill of the loaves. Do not work for the food that perishes but for the food that endures eternal life, which the Son of Man will give to you” (John 6: 26). Pray that our medical outreach programs in Nigeria will achieve the goal of reaching souls for Christ. Pray that hunger and sickness that prevail in many rural parts of Nigeria today will not turn people away from the Gospel.

It costs approx \$500 - \$800 for transportation, and to buy medication and food for each medical outreach to a remote village in Nigeria. Pray that God will raise more people who will give generously to support the work of ministry going on in Nigeria and other parts of the world.

Pray for this ministry, that Ife Global Outreach can continue to supply enough funds to support pastors and local missionaries in remote regions of Africa. Pray for encouragement for missionaries who are working with these villagers. Pray that they will have wisdom to share the Gospel even when they can't meet the physical needs of the people.

When pastors and missionaries on the field share their needs with this ministry, we can only supply out of the little funds we have on hand. Please pray that God will raise up more Christians in the Western World who will have compassion to give to the work of this ministry from what God already blessed them with.

We need **monthly** support partners in order to survive. If God has placed on your mind to give in support of our work, please do so on our website: <http://Ife-Global.org>
